GLOBAL PERSPECTIVES ON TRANSFER PRICING CONSUMER GOODS : INDUSTRY SPECIFIC INSIGHTS FOR LUXURY GOODS, FMCG AND RETAIL MARKETS

Join our international panellists as they discuss hot topics in transfer pricing specific to the consumer goods industry, in particular, seeking to highlight areas applicable to key consumer sub-sectors such as Luxury Goods, Fast-Moving Consumer Goods (“FMCG”), and Retail.

Are these industry sectors in which you operate?

Then register [here](#) for this webinar tailored for you, including practical sector insights and examples.

Your questions and comments will be welcomed.
